The SMU campus and community provide a variety of resources to ensure that your time here as a student or scholar is productive on both a personal and academic level. The International Student & Scholar Services team is committed to facilitating and enriching your experience before you arrive on campus and while you are here in the U.S. All members of the ISSS team work diligently to provide the best and most useful resources prior to your arrival through a comprehensive pre-arrival information packet that will assist the visa application process. Once you arrive on campus, we welcome you with various immigration orientations in order to inform you of the various visa compliance regulations that you must follow as an international student or scholar in order to maintain your visa status. Our team is responsible for reporting to the federal Government all compliance events relating to our international population through SEVIS (Student and Exchange Visitor Information System). For this reason it is important that you check your SMU e-mail regularly, since regulations sometimes change. Once you arrive, it is our desire that you take every opportunity to participate in our programming events. Our office coordinates several events throughout the year in order to celebrate the different cultures and contributions from our international population. Our staff consists of a group of professionals who are prepared to respond to your unique needs through our excellent immigration advising system. Our staff is also prepared to help you navigate through all the resources that SMU has to offer that will help you achieve your academic goals. Once again, welcome to SMU. We are happy that you are with us. Please contact any member of the ISSS team if you have any questions or concerns. If we do not know the answers to your questions, we will try to find someone who does.

Best Regards,

Claudia Sotomayor Hart

Important Resources

While you're here you must...

- You and your dependents must have current passports at all times. If your passport expires, you could be out of compliance. Remember your dependent's status depends on the validity of the J-1 status so if you are out of compliance so are they.
- You must **always** be in possession of a valid DS-2019 document, which accurately reflects your activities at SMU. Should your DS-2019 expire soon and you have received an extension of your appointment, you are required to submit an extension request **BEFORE** the DS-2019 expires. We require that you submit a request at least one month before your DS-2019 program end date.
- You must come to the ISSS Office to have your DS-2019 signed (and dependent DS-2019s, if applicable) if you will travel outside the United States. Travel endorsements/signatures are valid for ONE YEAR.
- You must report any life event that may affect your immigration status such as marriage, change of legal name, or divorce. This rule also extends to your J-2 dependents.
- You must report any changes of address to the ISSS Office within 10 days. Email internationalscholars@smu.edu to report address changes.
- If you are considered an SMU Employee, you will need to apply for a Social Security Number. If you need information about the SSN application process or if you are not employed by SMU and wish to apply for a Social Security Number, please ask a scholar advisor during your government check-in.
- J-1 Exchange Visitors and dependents (J-2s) are **required** to have major medical insurance for the duration of the program. You are not allowed to start your research and/teaching activities until you have submitted proof of health insurance. All SMU benefits employees are required to pay a monthly premium to the SMU's benefits Office.*

*Failure to pay your insurance premiums on a timely manner will cause termination of your J-1 status. If you are not receiving fringe benefits, you need to purchase an insurance policy that meets the requirements of the Department of State.

Departure/Check-Out:

- When your program has concluded, you must complete a Notice of Departure Form. The ISSS Office is required to report your program end date to the Department of State. This could be the end date of your DS-2019 or an earlier date if you concluded your activities earlier than anticipated.
- **If you are receiving fringe benefits from SMU, you must also visit the HR office to conduct an exit interview.**

TRANSFER TO ANOTHER J- PROGRAM:

- If you plan to transfer your J-1 visa sponsorship to another institution, you must inform the ISSS Office of your intent to do so PRIOR to departing SMU. Please complete our J-1 Transfer-Out Form available at our website. Remember, you must have your department supervisor sign this form in order to complete this request.
- If you are considered an SMU employee (receive compensation/benefits), you must also visit the Human Resources Office and go through an exit interview.

Taxes:

If you are being paid in the United States, you must file tax forms no later than the IRS tax deadline (typically around April 15th) of the following year: (For example, if you earned wages in 2020, your tax forms will be due on April 15 of 2021). Please note: A social security number is required to file taxes.

Please look out for an email from ISSS in late February/early March for information on how to file for taxes by using Sprintax Software. If you are leaving the U.S. prior to the tax filing deadline, you are still required to file tax forms. You might file for your tax forms electronically. Please contact the ISSS Office to get more information about accessing Sprintax.

For more tax information and social security information, please visit:
smu.edu/EnrollmentServices/international/USLiving

Other issues related to your status:

Please remember that the ISSS Office is the only authorized office to provide immigration advice. While other departments at SMU will help you and assist you, you need to verify any information/advice received by other parties with an International Services Specialist at the ISSS Office.

J-2 Dependent Work Authorization:

J-2 dependents may request work authorization from USCIS. The ISSS Office will help with this process!

Transportation in the U.S.

TEXAS I.D./DRIVER'S LICENSE

The driver license or state I.D. card issued by the Texas Department of Public Safety (DPS), serves as most people's primary identification document. Students and Scholars are encouraged to apply for a Texas I.D. or a Driver's License once they have arrived in Dallas.

Foreign nationals may drive on their foreign driver's license for a period of *up to 90 days*, provided they have an **International Driver's Permit (IDP)**. The IDP is a document secured in one's home country of origin and serves only as a valid translation of a home country driver's license. It may not be used by itself, as the official home country driver's license must accompany it to be considered a valid driving document. Please check with your home country government office on how to obtain an IDP in your home country.

 *Please note* that an IDP is **not** an International Driver's License - the internet has a lot of false information regarding an invalid document called an "International Driver's License". Please **do not** purchase one of these false documents, as it is not an acceptable legal document to drive in the US.

Applying for a Texas Driver License (TDL) - Valid for only one year

For the I.D. Card, you will need to complete an application form; show your passport, visa stamp, I-94 card, immigration documents (such as your DS-2019), and pay an application fee. You must have been a resident of Texas for at least 30 days in order to apply for a Texas ID Card or Driver's License. You will have to prove your Texas residency by showing 2 original documents from the DPS's list of approved materials.

The ISSS Office will take students and scholars to apply for their Texas ID at the beginning of each semester. Keep an eye on your SMU email for more details.

HOW TO APPLY FOR A TEXAS I.D./DRIVER'S LICENSE

Applying for a Texas Driver License (TDL) - Valid for only one year

2. Passport
3. Visa
4. I-94
5. DS-2019
6. If you have a Social Security Number bring the card with you. If you complete an affidavit, please wait to sign it until you are in front of the DPS officer. Please do not send this to me for your own security but take it to the DPS for your appointment. Please note: You cannot be actively in the process of applying and waiting for an SSN and applying for an ID or license.
7. Bring Fee (<https://www.dps.texas.gov/driverlicense/fees.htm>)
8. Proof of Residency: You must have TWO different items from the list below to certify residency. They cannot be from the same source (for example, water and gas bill from the same utility company are not accepted).
 - a. The entire Residential Lease has your name/address/signature on it and the signature of your landlord on the final page of the lease.
 - b. Renter's insurance policy or statement under your name and address
 - c. Electric, water, natural gas, satellite tv, internet, cable or cellular telephone statement within 90 days of the application date with your name and address.
 - d. Preprinted paycheck or paystub within 90 days of application with your address
 - e. W-2 or 1099 tax form for current year
 - f. Mail or bank statement from a financial institution; including checking, savings, credit card statements dated within 90 days of application date with your senate address listed.

If you are applying for a Texas Driver's License you will also need the following. Evidence of completion of:

1. [Impact Texas Driver \(ITD\)](#) if you will be taking a driving test for the issuance of your driver's license
2. A six-hour adult [Driver Education](#) course, if you are 18 through 24 years of age. If you are above the age of 24 and do not take this course, you will be asked to take a 30-question test at your DPS appointment. We recommend that you study signage and driving laws prior to your appointment.

Reminders

- Contact the local office of the DPS if you do not receive the license within 60 days.
- Any time you move, notify the DPS of your change of address within 10 days.
- Obey all laws when driving. Do not take unnecessary risks. Be a polite and considerate driver.
- Alcohol and drugs, even prescription or over-the-counter drugs, and mixing medications, can affect your driving skills. Penalties for driving while intoxicated (DWI) are strictly enforced.
- Always carry your driver's license when driving.

Did you know ISSS can help with scheduling appointments with the DPS? Reach out to us at ISSS@smu.edu for assistance with expedited appointments.

SO YOU WANT TO BUY A CAR...

Some international students and scholars will consider buying a car while they are here in the DFW area. Please be aware that you will need to have established credit if you wish to purchase a new car. If you are considering buying a used car, we recommend you get an overview on used car prices through **Kelley's Blue Book**.

Here are some useful tips when considering buying a used car:

- Get all the information on automobile insurance policies, including liability and comprehensive and collision costs for the vehicle model, make, and year.
- Get the vehicle identification number. Ask to see the Title ("Certificate of Title") of the car. All the information needed to inquire about insurance for this particular car will appear on the Title. (This will also prove that the person selling you the car is the owner).
 - **Important:** Make sure that no liens are recorded on the Title. (If money is owed on the car, another name will appear in the space for "lienholder." In addition, the "clear" Title (no debts are held against the car) is blue, and the temporary Title (proof of sole ownership has not yet been issued) is red.
- Arrange with the insurance company you have chosen to begin the coverage, especially the liability insurance required by law, before you meet with the seller to finalize the transaction.
- After buying the car, make sure you visit the Texas Department of Motor Vehicles to ensure you have obtained the title. You will pay a fee and the sales tax on the vehicle (approximately 6.25% of the sales price of the car) to transfer the Title to you, the new owner. The seller need not go to the Tax Office with you. You should receive your Title by mail within 4 to 6 weeks.

TRANSPORTATION IN THE U.S.

Concerned about how you are going to get around when you come to Dallas? Don't worry- there are a lot of options!

On-Campus

Walk

Most students walk to class. Just make sure you leave with enough time to make it to class! Google Maps works great in the area and on campus.

Electric Scooters

A popular alternative to walking when in a hurry are scooters. Just download the Bird or Lime app, unlock the scooter, and off you go!

Bikes

When going to a university, lots of students may bring a bicycle for transportation around campus. SMU provides various areas to keep your bikes, just bring your lock.

Tapride

If you find yourself feeling uncomfortable walking alone after a long night in the library, call a safe ride using the app *Tapride*. An SMU security officer will pick you up in a golf cart and take you wherever you need on campus.

SMU Express

The SMU Express is a DART operated bus that goes on campus and makes stops at nearby apartments, shopping centers and restaurants.

For more information visit [the SMU Parking and ID Services Office website.](#)

Off-Campus

Ride Share Services

The most popular option for transportation around Dallas are ride sharing services such as Uber and Lyft. Just download the apps and input your destination! Always make sure the license plate matches.

DART

The *Dallas Area Rapid Transit* service is a railway that travels around the Dallas area including to the airport and NorthPark Mall. Conveniently, across the street from SMU campus is a DART station! SMU students are eligible for a free SMU DART transit pass by enrolling through the Parking and ID Card Services Office with a valid U.S. phone number. DART is typically much cheaper than ride sharing options.

Pro Tip: While the DART is typically safe it would be smart to travel with a friend and avoid riding the DART late at night.

Zipcar Rental

Any international student or scholar who is 18 years of age or older with an international or U.S. driver license may sign up for this program for a \$25 membership fee. Once you sign up, you can rent the car by the hour or by the day and not have to worry about gas or insurance since it is included in the rental price. You can reserve the car online and let yourself in with your Zipcard.

Find out more about the Zipcar and sign up at <http://www.zipcar.com/smu/>

Transportation from the airport upon arrival in the U.S.

Most students use ride sharing options such as Uber or Lyft for their commute from the airport to campus, but others may use DART.

Dependent Information

Public School for children

Public education for children is determined by geographic area. Your children may only attend the school provided in the geographic area in which you live. SMU is in the Highland Park Independent School District. If you live in University Park, contact the schools below for information necessary for enrollment.

- Armstrong Elementary School (grades K-4) 214-780-3100
- University Park Elementary School (grades K-4) 214-780-3400
- McCulloch Intermediate School (grades 5-6) 214-780-3500

If you live in Dallas, you may contact the Dallas Independent School District @ www.dallasisd.org or call (972)925-3700 for instructions on school enrollment. The quality of public school may vary. Where you live will determine the school your child will attend. Although there are other schools in the SMU area, international parents recommend the schools in Highland Park Independent School District (listed above) and Stonewall Jackson Elementary in the Dallas Independent School District (972)749-7200. We highly recommend that you check the schools in your area before renting an apartment.

Child Care and Preschool

Families with children age 5 and younger may be interested in day care or preschool opportunities. Day care provides supervised play activities. Preschool offers an academic structure. All charge for their service. Many have waiting lists so you should call as soon as possible. None of the businesses near SMU accept drop-ins, (take a child for just an occasional day). Many churches have mother's day out, where children are taken care of in a play group for one morning a week. They usually require regular enrollment for this service.

Our favorite SMU Traditions

“We don’t tailgate, we boulevard” is one of the most common phrases that comes up when talking about SMU tradition. A day or two before each football game, beautiful white tents are put up all along the Boulevard and the lawn in front of Dallas Hall. Then, three hours before the game, SMU students, faculty, alumni and friends come out to enjoy food and games on the Boulevard.

At the beginning of each school year there are many events to enjoy and make new friends. Usually there is also a chance to get free food too! The New Student Welcome Party hosted by ISSS has always been a good one!

Homecoming is always a big tradition at SMU. There is banner making, window painting, Peruna painting and float building. Then there is also the much-anticipated Homecoming court in which each organization nominates a candidate for homecoming queen and king. The week builds up to the Homecoming parade to showcase the floats students have worked on.

The Celebration of Lights! Every year in December thousands of lights are displayed on Dallas Hall and it’s surrounding area. SMU students come out to sing, listen to groups perform and hear President Turner read The Christmas Story. The finale of the night is always the lighting of the Christmas tree, Dallas Hall and the surrounding trees with more than 100,000 twinkling lights that helps everyone feel the holiday spirit.

Food in DFW

Eating *Vegetarian* at SMU

In Dallas

Being vegetarian can feel daunting in situations when it seems hard to find options to fill one's appetite. However, the proximity of SMU to downtown Dallas provides students with a greater variety of choices.

Every corner gives rise to a new discovery of small restaurants with unique styles and food. Right across the North East dorms there is the *Sinder Plaza* which is a common place for students to hangout while studying or to visit restaurants or ice cream shops.

If one wants to go further off campus, there is an abundance of opportunities to explore new and wonderful flavors on the weekends by planning an adventure with your friends to downtown Dallas using the DART (Dallas Transit) which is free for all SMU students

At SMU: Dining Halls

Umphrey Lee

The brownies at the Vegan Dessert Section at Umph are delicacies and if you are an SMU student the Umph cookies have a fame of their own. If you consume dairy products and have a sweet tooth, the Umph Dessert Section is a blessing.

Another captivating feature is the make-your-own sandwich and salad area at Umph, it provides you with the flexibility to choose your own ingredients to make your own veggie salad or sandwich.

Arnold

Arnold, has their own make-your-taco section which again, could be made vegetarian with only a red bean paste filling.

Arnold also has a Mongolian grill station where students can make their own grill with rice or noodles hence, vegetarians have the ability to personalize their food.

Other Options on Campus

Something notable about **Mac's place** is that it offers *Beyond Meat* style burgers for us vegetarian lovers. Another favorite are the salads here! Though they are made available in the menu with meat it could be replaced while you are placing your order.

A vegetarian or vegan is in for a treat at the **Food Market!** There is a whole section dedicated to vegan versions of food. It ranges from vegan ice creams to vegan oven cooked food and biscuits. It is my haven.

We also have restaurants on campus which are Chick-fil-a , Lawyer's Inn and Cinco Taco. While at Chick-fil-a there are not many vegetarian options, it is a go-to for french fries. The potato tots at Lawyer's Inn are my vegetarian choice and the vegetarian tacos are *amazing* at the Cinco Taco.

Tips from Upperclassmen

- **Tread with Caution!** It might be hard to differentiate between the meat option and vegetarian options sometimes, so when in doubt check with the staff and double check yourself!
- **Double Check!** Check before consuming boiled or cooked vegetables since sometimes in the cooking process butter is added.
- **Take Advantage!** If you're at the SMU dining halls, there are a variety of fruit options available to take and it is a healthy snack between meals and classes to keep around. So grab a fruit on your way out!
